Re: Old American Zinc (OAZ) Superfund Site, Fairmont, City,
IL/Notice of Finalization of CERCLA Settlement (AOC #V-W-02-
C-680) - Conclusion of 30 day Federal Register Notice and
Comment Period

Dear Ms. Faye:

This letter is to formally notify you that the 30-day Federal Register public comment period, for the waiver of past costs associated with the above referenced settlement agreement for performance of a removal action in the designated portions of the OAZ Superfund Site, closed on April 28, 2002. Because April 28 was a Sunday, the United States Environmental Protection Agency (US EPA) determined to consider comments received that were post-marked through April 29, 2002. No comments have been received.

Therefore, pursuant to CERCLA Section 122(i), 42 USC 9622(i), US EPA hereby informs you that the finalization of the settlement (concerning the waiver of past costs associated with the Site) contemplated in Sections VII and XIX of the previously mentioned AOC has occurred.

Respondent party should continue to implement the removal action, under the schedule as contemplated in the AOC Work Plan.

Please contact me with any questions at 312/886-6613.

Very truly yours,

Tom Turner
